DETAILED ACTION

Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114.

Applicant's submission filed on June 1, 2006 has been entered.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on June 1, 2006 was filed after the mailing date of the Notice of Allowability on March 2, 2006, but concurrently with a Request for Continued Examination. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Allowable Subject Matter

Claims 1-10, 15-23, and 27-34 are allowed in view of the prior art.

The following is an examiner's statement of reasons for allowance:

As to claims 1, 7, 15, 21, 27, 30, and 31, the prior art of record, taken either alone or in combination, fails to disclose or render obvious a method and corresponding apparatus for measuring and treating a tissue, the method and apparatus comprising a structure in an optical path of a measuring system, this structure selecting three wavelengths of light corresponding with wavelengths of a Fourier series of the structure (claims 1, 7, 15, 21, 27, and 30) or ten wavelengths of light corresponding with wavelengths of a Fourier series of the structure (claim

31), and using the selected wavelengths to measure the thickness of the tissue, in combination with the rest of the limitations of the above claims. For further discussion, see the applicant's arguments of record dated January 5, 2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
